

All Saints CENTRE

Weddings

Create the day you want...

"Once we walked in, we pretty much knew we would be booking All Saints for our wedding reception." Steve and Hannah

Congratulations on your forthcoming wedding!

We are delighted that you would consider All Saints Centre to help you have a day you will treasure forever.

It's Your Day - It's Your Choice

Everyone has an idea of their dream wedding. Here at All Saints Centre our rooms are a blank canvas allowing you to make that dream come true and have a day to remember.

We can help you find suppliers to hire the decor, table linen, table decorations and chair covers of your choice. The Centre is available for you to set up the night before, allowing you to make sure the room is perfect for your special day.

We can work in close harmony with you to produce a bespoke floorplan so you can visualise how you would like the room. This means we can then set up the tables in the room before you arrive, letting you concentrate fully on decorating and adding those finishing touches.

Our staff will be on-hand to help with your event from start to finish. We are flexible in accommodating bespoke requests, so do always ask and we will always endeavour to find a solution.

The Main Event

Greet your guests in our spacious foyer which can be used to serve them a drink on arrival and have a bar set up for the evening. At All Saints Centre we have a full alcohol licence meaning you don't have to deal with extra paperwork.

From the foyer you enter the Weston Suite. It is a beautiful space for receptions of up to 150 guests. It has a clean and smart polished wooden floor which is perfect for dancing in the evening. You can have your own DJ, band or hire our PA system for the speeches and to play the music you like. We have a full entertainment licence until 11pm when the reception is required to finish.

Extra Space

Outside the foyer there is a small garden. This is perfect for guests to go and chat, take photos or have a small marquee to serve food outside.

If you need extra space or have children attending, our Courtyard and Upper room can be the ideal places. They can be used as a quiet place to chat, as changing rooms, storage, entertainment for children or as space for a buffet. They are available to hire at an extra cost.

Catering

Here at All Saints Centre you can choose what catering you would like, whether this is done by your preferred caterers or by providing food yourselves. We have a 5-star hygiene rated kitchen which is fully equipped for your use including our white crockery and quality cutlery. The kitchen is adjacent to the Suite with two serving hatches making it easy to serve food and drinks.

"We had excellent service throughout the process, from booking all the way through to the day itself. They worked with our requirements and were faultless to the end.....So a massive thank you for giving us a truly memorable day."

Lucy and Mike

Accessibility

The building includes a lift, level access, two disabled toilets, a hearing aid loop and disabled parking. We aim to make the Centre as accessible as possible for everyone.
